Athlete Info

- On this page, you'll find key information for Freeride Weekend Team athletes, including competition schedule and coach contact information.

Freeride Weekend Athlete Info

Parent Communication:

Communicating with AVSC families and athletes is of paramount importance so that families feel informed and understand the expectations and schedules for their athlete. Coaches in the Freeride Weekend Team program will send a weekly email every Thursday via Campminder for the upcoming weekend. Please check your email and add your child's coach and the Campminder program to your safe sender list.

Competition Calendars:

We will have 3 competitions throughout the season. These dates are subject to change due to weather/snow conditions.

COACH CONTACTS:

Erin Young
Head Athletic Trainer
The Steadman Clinic Outreach Athletic Trainer
Eyoung@teamavsc.org

•What is an athletic trainer and what do they do at AVSC?
Athletic training encompasses the prevention, examination, diagnosis, treatment and rehabilitation of emergent, acute, or chronic injuries and medical conditions.
AVSC's athletic trainer is a free resource for AVSC athletes.
She works with athletes of all levels from initial injuries, through their return to sport/snow and helps with prevention with dryland training.

How to contact Erin.
I am often at the AVSC clubhouse during training & business hours and will always try to accommodate drop ins. But I do sometimes go out on the mountain for races and competitions, or when injured athletes are returning to snow. When possible, email me to schedule a day/time that works for both of us, eyoung@teamavsc.org.

AVSC Concussion Policy

AVSC follows current best practices and Colorado law with regards to concussion care. All coaches have taken Heads-Up concussion training and are trained in recognizing possible concussion symptoms.

If an athlete is suspected of having suffered a possible concussion, they will be safely removed from training and will need to be cleared by their doctor before returning to training.

Athletes can return to training after they are symptom free, have completed the recommended return to sport progression, and have medical clearance from their doctor.

Athletes are able to return to sport progression with AVSC's athletic trainer.

Please reach out to Erin if you suspect your child has suffered a concussion at AVSC or outside of AVSC, she and help with their return to sport and return to school as needed.
